Welcome

The ABA is pleased to welcome you to the Advanced Trial Advocacy Intensive, Excellence in Advocacy, to be held between 20 and 24 January 2025 in Brisbane, Australia.

This is a course run by the profession for the profession. The skills of a barrister are best learnt in an environment that is as close to the real experience as possible. This involves realistic briefs, proper preparation, and performance in real court settings.

Groups are small and the coach-to-participant ratio is high. Performances are recorded in court and are then reviewed separately by members of the coaching faculty. The coaching faculty will include Federal and Supreme Court Judges, Australian and International counsel as well as professional performance coaches with expertise in voice, movement and impact.

This is a residential five day course that will develop your skills as an experienced barrister. The course focuses on developing your strengths in addressing, examining-in-chief and cross-examining.

Participants

Australian barristers and international guests, with 5 years plus experience as civil and/or criminal trial advocates, who are looking to take their advocacy skills to the next level.

- Final gala drinks and dinner
